Mission: Cure

Mission: Cure supports a portfolio of projects with an urgent goal to cure chronic pancreatitis. We intend to demonstrate that new innovative financing can be a more effective model for medical research and development for under-served diseases.

The
National Pancreas
Foundation **20th Anniversary**

The National Pancreas Foundation's mission is to provide hope for those suffering from pancreatic diseases through funding cutting edge research, advocating for new and better therapies, and providing support and education for patients, caregivers, and health care professionals.

For more information on how to get involved,
visit mission-cure.org and pancreasfoundation.org.

Mission: Cure and the National Pancreas Foundation are not-for-profit public charities recognized by the IRS under 501(c)(3).
